

HOW TO HEAD OFF FAMILY CONFLICT

Did you know an up-to-date will can help create peace in your family? Wise estate planning eliminates conflict before it can happen. Plus, a relevant will shows that you value:

- **Peace.** Your children will know you cared enough to plan ahead.
- **Communication.** Verbalize your final wishes (and love for your family) while you are still alive.
- **Love in action.** By including a gift in your will to the nonprofits and causes you care about, you will set a powerful example of living out your beliefs.

By going the extra mile now to create a plan that will unfold then, you will pave the way for peace in your family.
